

# Year 1 Planner

Created in partnership with

**Year 1 progression:** compared with the first edition, note that the Numbers to 20 unit now falls in Term B and that Addition and Subtraction in Term A are now separated out into separate units. You can see how the progression of lessons within the units has changed by looking at the progression file for KS1.

**Resources to have ready:** in the Autumn term you are mostly going to need counters and 10 frames.
